Technical drawing of a male metric spacer. It shows a perspective view of three spacers of different lengths and a cross-sectional view. The cross-section shows a chamfered end with a 45-degree angle (4X). Dimensions are labeled: 'A' is the total length, 'C' is the length of the threaded section, and '1.000' and '0.625' are diameters. Specific chamfer dimensions are shown as 1.250 and 1.125.
